DEDICATION

This book is dedicated to my father CLAUDE WILLIAM PIERSON. He has a long line of ancestors in Scott Co. Virginia. He was born in Clinchport April 6, 1909 to the parents of LAKIE VIRGINIA JENNINGS and ROBERT RUFFUS PIERSON. He now resides in Sepulveda, California. It is this line that brings me to compiling & publishing this work. He is a father that anyone would be proud to have.

PREFACE AND ACKNOWLEDGEMENTS

Just before the publication of Volume I, my husband DOUGLAS W. WILLITS passed away leaving me with 3 children, RICHARD LYNN WILLITS, RENEE MICHELLE WILLITS, and RYAN WILLIAM WILLITS. Just recently I remarried a fine man ARDELL CLIFFORD PETERSON, a widower with two children, CURTISS NEIL PETERSON and MARTIN ARDELL PETERSON. This last June (1980) ARDELL and myself went to Scott County, Virginia and visited 96 cemeteries that were not in Volume I. We recorded and photographed each tombstone that was readable. With the help of my cousin CHARLES TRUSSELL, his wife GLADYS, and son TERRY, my aunt VESTA TRUSSELL, we were able to get into areas that were very difficult to find and would normally be overlooked. ARDELL was a great help in assisting me with the extraction of the names. While we were there, we were fortunate to meet WILLIAM DALE & MARY CARTER of whom shared their cemetery lists that included 55 more cemeteries not in Volume I. Also appreciation goes to GENEVA PALMER for her list of 15 cemeteries, and all the lists and information sent to me by; TESSA COX, DUDLEY H. & JOAN DOHNER, HAROLD B. PETERS, ELIZABETH CARPENTER, KENNETH L. KIRKLAND, EULA MAE McNUTT, MYRTLE K. HAMMOND WILSON, CARSON & DOROTHY WILLIAMS, RANDY BAIRNSFATHER, LEON E. WOLFE, DORIS SMITH, MRS. NOEL (MARTHA) FULLER, VIRGINIA HOBBS HARPOLD, VONDA DAVIS, DONALD L. OSBORN, and RUBY KINSLER. I also want to acknowledge our three sons at home, RYAN WILLIAM WILLITS, CURTISS NEIL PETERSON, and MARTIN ARDELL PETERSON for helping me index the 6,000 names included in this volume. If my older son RICHARD WILLITS wasn't in West Germany, and my daughter RENEE WILLITS in college in Idaho, they would have been recruited in this large task also. Just before publishing, I received more lists from RHONDA S. ROBERSON & NANCY C. BAKER. Some are included here, others will be in Vol III. This book is laid out in the same format as Volume I. It is in five sections. The maps, cemetery lists, corrections and additions to Volume I, Cemetery Index, and the Index. The maps are the same as in Volume I except there are additional cemeteries added and each one that is covered in this Volume is in bolder print, for easy recognition. There are 16 maps, some of which are in two sections, north and south. There is a Map Key which gives the names of the maps and their location and proportion to the entire Scott County. The second section is the Cemetery Lists themselves. They are arranged by Cemeteries as it appears on the maps in numerical order. The names are not in alphabetical order. They are

listed as they appear in the actual cemetery, this way, keeping the family plots and names together. Some of the cemeteries are copied by more than one party. When comparing the lists of the same cemetery, there were some differences. When this occurs, both interpretations are listed as follows: "Sept 23/25 1846" One list shows Sept 23 1846 and the other shows Sept 25 1846. This may occur in the names as well as dates. When an entry shows some information in ( ), it is not found on the actual tombstone, it is the personal knowledge of the person that copied that name. When there is a date like: "July 16 1872 - " It shows on the tombstone a birth date but no death date. When it is "July 16 1872" only, (no dash after the date), that is the only date that shows on the tombstone. Where there is a 19--, or Sam--l, it is because the date or information that was there was too badly worn to be readable. When there is the word "(marker)" after the date, it shows there was no tombstone, just a funeral marker there. There is a picture of a funeral marker on the title page, just above the tombstone that reads "RACHEL LANE PEOPLES". Two names close together is because they are on the same tombstone.

Information inscribed on cemetery markers are a valuable source of information to the genealogist because often this is the only existing record of the birth and/or death of an individual, also other pertinent information can be gleaned which gives additional sources to be checked. In this volume, there are 211 cemeteries covered. 186 are complete, 16 incomplete, and 9 are updates and corrections from Volume I. There are 13 Historical Points of Interest also included in this Volume. If you have any corrections or additional information, please send them to me. Write to: Mrs. PHYLLIS PETERSON, 704 E. Highland, Hermiston, Oregon, 97838.

NICKELSVILLE BAPTIST CHURCH CEMETERY - Dungannon #66-B & Hilton #5-B

Located on the east side of the church. We interviewed Rev. ODELL BEAUCHAMP, Pastor of the church. He stated, "Mostly these are slaves buried here (pointing to an area by the road). You could talk with EMORY ELLIOTT, one of our trustee's. He's 84 years old and is pretty familiar with this graveyard. They put this wall up here, the state did, when thay got a clearence to put the highway through. The road crew that was there, dug into the old caskets and found a colored prison group remains there. The crew tried to run off, and were almost shot. There is an area where the remains was put. No telling how many are buried there."

NICKELSVILLE BAPTIST CHURCH

By PHYLLIS PETERSON Visited June 1980

This is a large old church which is and has been used for many years. Rev. ODELL BEAUCHAMP, the current pastor, said thay would hold church services here during the civil war and showed me where the men would put their guns before they would go in. Since then the building has been and still is going through remodeling. There are stain glass windows that has names in them. They all say "In Memory Of". As you enter the church, going left to the right, they read as follows;

JULIA BOND LAY

GEORGE L. KILLGORE & Wife MARY A.

G. W. BOND & Wife ADDIE V.

W. W. BOND & Wife NANNIE E.

R. J. BOND & Wife EMALINE

"Our Pastor" J. B. CRAFT

"In Honor of" A. R. KILLGORE

"Our Mother" SARAH E. BURK

JOHN G. NICKELS & Wife LOU. E.

Dr. J. B. WOLFE & wife Mrs. J. B.

DAVID KILLGORE & wife MARGARET A.

Rev. H. E. KILLGORE & wife ELLA D.

There are plaques on the walls that read as follows;

Rev. AVERY NICHOLS - Dedicated Architect and Carpenter

WALDO QUILLEN - Electrictian & Plumber 1963-1964

Rev. CARL ADAMS - Architect and Carpenter Pastorium 1957

DANIEL BOONE TRAIL RESTAURANT

By PHYLLIS & ARDELL PETERSON

As we came to the intersection of Hwy 646 & Hwy 58 in Duffield, there was a Restaurant there. We stopped in, and found they had a placemat they used, that had DANIEL BOONE's Trial mapped on it along with the following:

"On September 25, 1773 BOONE, his wife, eight children and five other families left North Carolina, for the first of his expeditions into Kentucky with settlers.

On October 9, the party passed either where this restaurant now sits, or just a few feet away. That night they camped about four miles from this restaurant location. They were attacked by Shawnee Indians just before sunrise, several were killed, including BOONE's oldest son, JAMES.

This expedition ended at the massacre site, and returned back to North Carolina.

A state historical marker on Route 58, west of here has information about the ambush and the death of BOONE's son and others.

There is a marker 200 feet north of this restaurant placed by the Ruritan Club, devoting this as the trial used by DANIEL BOONE on his way to Kentucky.

In the spring of the following year, BOONE returned here to his son's grave and was nearly captured by the Indians.

This trail was used by BOONE and other settlers for many trips for years in settling Kentucky.

This great American died in Missouri in 1820 at the age of 86."

HURD CEMETERY - Clinchport #94

This cemetery is listed in Volume I. This is where the PETERS CEMETERY was moved to. Here is two letters concerning the remains that was moved.

From the DEPARTMENT OF HIGHWAYS, COMMONWEALTH OF VIRGINIA Richmond, Va.
Route 23, Proj. 0023-084-110, RW-202, Scott County. December 1 1965

Mr. BUD PETERS, Route #2 - Box 219, Jonesville, Va.
Dear Mr. PETERS:

This is to advise that State Highway Route No. 23 is to be improved to a four lane divided highway. The proposed right of way will take all of the graves in the old cemetery on the lands of the J. H. FRAZIER ESTATE.

It is proposed to have a licensed undertaker move these graves to another location, which is unknown at present time. A Court Order is to be secured for the removal, but the Court as well as this Department would like to have the advise and approval of the closest relatives. We have been in contact with MR. BEN PETERS, MRS. ALMEDA TAYLOR, MR. AUDLEY PETERS, MRS ELLA PETERS and others and they have given their permission to the removal of said graves.

All expenses of moving the graves are to be borne by the Department of Highways.

It has been noted that you are a grandson of MR. GEORGE PETERS, MRS. BETSY PETERS and a nephew of JIMMY PETERS and ELIZA PETERS who are buried in the FRAZIER CEMETERY. In the relocation of the graves, they will be reburied as nearly in the same order as they are now, so far as is practicable.

I will be appreciated if you will write us a letter under your signature giving your approval of the proposed transaction. The Court as well as this Department wishes to know the reaction of all the next of kin of the deceased persons to be moved. Also if there is any additional information as to others who might be buried in the cemetery but not marked as such, please advise us.

Thanking you for your cooperation in this matter, I am,

Very Truly yours,
JAMES A. ICENHOUR
Highway Right of Way Agent

From the same address as above.

Mr. HAROLD B. PETERS, RFD 4 - Box 219, Jonesville, Va 24263
Dear Mr. PETERS:

Your letter of April 27, 1980 has been referred to me by our Central Office

in Richmond for answering. You requested information as to the removal of the remains of the PETERS family.

The remains of bodies found in this cemetery were moved to the property of MRS. EMMA R. HURD of RFD 1, Gate City, Virginia. The burial site is in a family cemetery presently called the HURD CEMETERY but was formerly known as the PIERSON CEMETERY, which is located a short distance north of a service road along the north side of Route 23 west of Gate City. They were moved and reintered by the Warren Funeral Home, Mr. EARL B. WARREN, Funeral Director, in May 1966.

Very truly yours,
W. M. WILLIAMS, District
Right of Way Manager

cc: MR. S. A. WAYMACK

MR. HAROLD B. PETERS knows of four of the 13 buried there. They are as follows:

GEORGE PETERS born around 1809 (1850 Scott Co, Va Census)

ELIZABETH PEARSON/PIERSON PETERS born around 1809 (1850 Scott Co, Va Census)

JAMES A. (JIMMY) PETERS born around 1840 (1850 Scott Co, Va Census)

ELIZA J. PETERS born around 1840 (1850 Scott Co, Va Census)

These are buried in the south-east corner of the cemetery.

BIG MOCCASIN GAP - K-15

SPURRIER CEMETERY - Hilton # 16

By WILLIAM DALE & MARY CARTER (owners of the property) Visited July 27 1979

The Spurrier Cemetery is located in the Fulkerson District of Scott County Virginia, approximately 1½ miles south of Maces Springs and 4 miles east of Hiltons, Virginis, on the North Fork of the Holston River.

The land on which the cemetery is located was first owned by LOVIN BLEDSOE. He sold the land to ROBERT BAILEY who sold it to THOMAS SPURRIER, the owner of the land when the first person was buried there in 1849. The cemetery was named in honor of the SPURRIER Family. The first person buried there was ELIZA DIXON, she may have been a daughter of THOMAS SPURRIER. Some of the SPURRIERS may have been buried there but no graves have identification prior to the 1870's other than ELIZA DIXON.

THOMAS SPURRIER sold the land to WILLIAM CARTER who sold it to his son DELANEY CARTER. DELANEY deeded the property to BILL CARTER who sold it to WILLIAM DALE CARTER, the present owner.

The cemetery has served as a family cemetery for the following families: BOWLINS, GOODS, CARTERS, MEYERS, HARPERS, CARROLS, and HENSLEYS.

The cemetery is approximately 0.6 of an acre in size. It is well maintained, but some of the older stones are broken and in need of repair. At least 1/3 of the graves are unmarked and the identity of many of the graves are unknown. Many of the older residents of the community have been contacted in an effort to identify the graves. This effort has been largely unseccessful. Some, however, have been identified.

The cemetery is located on private property and a gate across the accrss road is kept locked. A key to the gate is kept by MR. SCOTT HILTON who lives nearby, and visitors to the cemetery are welcome at all times.

In addition to the above, there are approximately 6 graves marked by un-engraved native stones. (There may be seven; however, one may be a stone that has simply appeared there as I could find no evidence of a grave nearby.) There are also about 6 or 7 graves that are not marked at all; all that can be found are rectangular depressions and, on a couple, planted flowers that have spred as tho they have been there a long time.

THE BLOCKHOUSE - Monument

By PHYLLIS PETERSON Visited June 12 1980

Located just north of Intersections of Road 704 & Road 606 on the right hand side of the road is this monument.

"The starting point of the road thru the wilderness to Kentucky and the station where travelers use to wait until partys collected large enough to defend themselves against Indians on the journey. Built about 1777 by CAPTAIN JOHN ANDERSON who died here in 1817. It stood until it burned in 1876. The tablet to mark its site was errected in 1921 by a decendent of WILLIAM BROWN who recorded in his journel, ["We waited hereabouts 2 weeks for company, and then set out for the wilderness with 12 men and 10 guns, this being Thursday 18 July."] (1782).

The land for the location of this monument was granted by O. M. SMITH."

A lot of these people died close in time because of a Typhoid Epidemic. A lot of these stones are all of some kind of sandstone, old round top, hand chissled dates and writing the name "born" was "borned" instead. A lot are flaked off and extremly hard to read.

Letter of VONDA DAVIS

This is a letter from VANDA DAVIS dated January 25 1981. She talks about her friends and reletives she knows of in Volume I. Then goes on about other cemeteries near her.

....."There are cemeteries near us not listed in Volume I and wonder if you have the listings. Straight across from our house is an old cemetery with the last burial in the late 40's. I can tell you a few names; PETER HUGH CARTER 1900(teens), ELIZABETH CARTER buried in January 1948, their daughter AVA killed in the tornado on May 2 1929, & BALLARD CARTER.

Then back of us on our place is a cemetery but I only know of one person buried there. He was PATRICK BERRY 194- (late). Farther back of us near CASTEEL CEMETERY, that was partially listed in Volume I is the FIELDS FAMILY CEMETERY (could be East Stone Gap # 14). A letter from DONALD L. OSBORN dated March 12 1980 reads as follows:

...."On October 21, 1969, I took Miss SARAH CATHERINE "KATE" CHERRY of Norton, Wise County, Va with me to visit a certain cemetery near Rye Cove and the Natural Tunnel in Scott County, Va. KATE had been there years before so she had a good time reminiscing.

We found this cemetery located on the farm of JAMES HENDERSON JOHNSON who was born Januray 6, 1883 and his address in 1969 was Clinchport. He told me that he was born on this farm. The farm had been purchased (I suspect by JAMES' father) from GRANVILLE H. KILGORE.

We found the following four stones to be of particular interest to us (the others were more modern and for various family names I had no interest in): SARY FLANRY died June 15 1844, (an uninscribed stone right next to SARY's which I suspected was for the grave of SARY's husband SILAS who died 1849), ASBURY FLANR- Nov 1- 1843 ("4" in "1843" is backwards or mirrored), and SILAS FLANRY died Nov 3d A.D. 1841

I have quite good photographs of the stones which I took with a polaroid camera on black-and-white film that day. I also photographed the house which was nearby--which I think KATE called the FLANARY home. JAMES HENDERSON JOHNSON was living there in 1969 and he told me the house was built of logs and were later covered with wood (weatherboarding).

Undoubtedly this is the Clinchport # 16 you list on pages 63 & 64 of your Scott County Va Cemetery Records, Vol. I but you list only one of the above stones, the one for SILAS FLANRY but you show 1844 rather than 1841 and I can definitely tell it is 1841 from my photos....."
